Therapist, Psychic Intuitive, Spiritual Counselor, Teacher, Artist

Shaman John is a Shaman, Reiki Master, Martial Artist, Dowser, Energy Therapist, Psychic, Spiritual Counselor, Teacher, Artist and offers to his clients holistic healing, the art of energy replacement, chakra balancing and energizing, aura energy replacement, crystal energy, Reiki, meditation, psychic development, aroma therapy, geomantic practitioner, tone vibration transformation, paranormal investigation and much more.

From there he was in a near death accident and began to "see things." He found a Shaman, "Silver Arrow" and a Wiccan Priest, Chris Elder and who helped his journey begin. He has also had the pleasure to work with a vast array of healers, Reiki practitioners, and Shaman who have helped him along the way. Shaman John has created a wonderful site to help parent and kids with different psychic and mediumistic abilities, his site can be found here: www.pwgc.webs.com (Parents With Gifted (Psychic) Children)

Also Shaman John uses the Slim Sperling technique of dowsing. Shaman John, along with fellow Reiki Master, Tim Keys, dowses for geopathical stress lines and can change the negative energy flow, when found, to a positive; to make the energy around and within your home and business, clean and safe.
